If the reason for the retention is based upon damage to Premises, such damages shall be specifically listed in the Move-Out Statement. The Move-Out Statement shall be prepared within three (3) banking days after the termination of occupancy. If Tenant terminates occupancy without notifying the Holder, Holder may make a final inspection within a reasonable time after discovering the termination of occupancy. Mortgagee's Rights.** Tenant's rights under this Lease shall at all times be automatically junior and subordinate to any deed to secure debt which is now or shall hereafter be placed on the Premises or Property. If requested, Tenant shall execute promptly any certificate that Landlord may request to effectuate the above.
- 9. GAR Forms.** The Georgia Association of REALTORS®, Inc. ("GAR") issues certain standard real estate forms. These GAR forms are frequently provided to the parties in real estate transactions. No party is required to use any GAR form. Since these forms are generic and written with the interests of multiple parties in mind, they may need to be modified to meet the specific needs of the parties using them. If any party has any questions about his or her rights and obligations under any GAR form, he or she should consult an attorney. The parties hereto agree that the GAR forms may only be used in accordance with the licensing agreement of GAR. While GAR forms may be modified by the parties, no GAR form may be reproduced with sections removed, altered or modified unless the changes are visible on the form itself or in a stipulation, addendum, exhibit or amendment thereto.

- 11. Beware of Cyber Fraud:** Fraudulent e-mails attempting to get you to wire money to criminal computer hackers are increasingly common in real estate transactions. Under this scam, computer hackers fraudulently assume the online identity of the actual mortgage lender, closing attorney and/or real estate broker with whom you are working in the real estate transaction. Posing as a legitimate company, they then direct you to wire money to them. In many cases, the fraudulent e-mail is sent from what appears to be the authentic web page of the legitimate company responsible for sending the wiring instructions. You should use great caution in sending or receiving funds based solely on wiring instructions sent to you by e-mail. Independently verifying the wiring instructions with someone from the company sending them is the best way to prevent fraud. In particular, you should treat as highly suspect any follow up e-mails you receive from a mortgage lender, closing attorney and/or real estate broker directing you to wire funds to a revised account number. Never verify wiring instructions by calling a telephone number provided along with a second set of wiring instructions since you may end up receiving a fraudulent verification from the computer hackers trying to steal your money. Independently look up the telephone number of the company who is supposed to be sending you the wiring instructions to make sure you have the right one.

Special Stipulations Continued

11. Landlord is not responsible for clogged drains.
12. Landlord does not provide window screens.
13. Tenant must provide water and power for 8 days after the Last Day of Lease ("Lease End Date") to allow Landlord to clean and paint the property. Failure in keeping these utilities on will result in a \$100 disconnection fee per utility plus the bill for those 8 days.
14. Landlord has the right to fine the Tenants in the amount of \$100 per occurrence for not following the rules and regulations.
15. Any repairs deemed to be the Tenant's fault will be charged to the Tenant.
16. Tenants are responsible for changing the air filters every 30 days.
17. Tenants are responsible for changing refrigerator water filter.
18. For safety reasons and to maintain the appearance of the community, Landlord does not allow any kind of outside satellite dish to be installed or mounted onto the building/home. The only acceptable way to install the satellite dish is with a removable post or tripod that does not require any drilling to the exterior of the building/home. The dish must be mounted securely and must be removed at the end of Lease.
19. If unpaid, past due account balances are sent to collections; Tenants will be charged an additional 50% of the total balance unpaid.
20. A non-refundable Reservation Fee will be paid by Tenant to Landlord to reserve the Premises until the Lease Start Date. Between the payment of the Reservation Fee and the Lease State Date the Reservation Fee shall be held in an Escrow Account at The Commercial Bank. The Reservation Fee shall be converted to the Security Deposit and continue to be held in the same Escrow Account as described in the Lease. After the Lease Start Date, the Reservation Fee will become the Security Deposit. All Lease documents and deposits must be turned in by all Tenants prior to the Lease Start Date.
21. The Security Deposit, along with an explanation letter, will be returned to one person in the full amount (if a refund is due). It is the designated person's responsibility to disperse the check to all Tenants. The person that will receive the Security Deposit refund (if refund is due) shall be:

CLEANING INSTRUCTIONS AND CHARGES

The carpet in the Premises must be cleaned by a professional carpet cleaning company. It has been our experience that it is best if the professional steam clean is scheduled and completed by the landlords' preferred carpet cleaning company. If Tenant chooses to hire another carpet cleaner, the carpet cleaner must guarantee their work to the satisfaction of Landlord and/or Landlord's Agent, and a receipt is required during the walk through inspection. If it is not cleaned to our satisfaction, the Tenant will be charged for any additional expenses. Tenants please note: you will not be reimbursed for any carpet cleaning contracted by Tenants. Excessive stains or repairs may require an extra charge.

There is a mandatory minimum general cleaning charge of \$75 to \$100 per bedroom; includes common areas. Excessive cleaning can result in additional charges.

Remove all personal property, trash and debris from inside and outside the home. Vacuum all carpets thoroughly. Wipe down all appliances, countertops, cabinets, and tubs/showers. Sweep and clean porch, steps, patio, sidewalk, driveway and garage (if applicable)

Pressure washing of the house and/or decks could be subject to a Tenant charge if it is deemed to be the fault of the Tenant (staining or mildew due from: grilling, egg, trash debris, etc.)

Bedroom/Bathroom Door Knob Locks: if you install a lock and key to your bedroom or bathroom door, you must change these locks back to the original bedroom/bathroom door knob in which the locks do not require a key. If we have to change the door knobs this will be considered a Tenant charge.

Please reference the Move-Out Instructions provided near the end of the lease for a full move out procedure list.

The chart on the next page is a guide and estimate of most replacement/repair charges. Nothing herein shall be construed as a limitation on agent's rights to pursue resident for damages not specifically listed hereon:

Maintenance Procedures Policy

From time to time it may be necessary to request maintenance for the Premises. Under normal circumstances you can expect requests to be handled in 1 to 3 business days; however, this may vary depending on demand. Any request that is considered an emergency is given priority over routine requests and is assigned to maintenance personnel immediately. Examples of an emergency are flooding due to burst pipes, fire or any issue which threatens the safety of our residents. We will not always be able to provide you with a day or time for service but will complete your request in a timely fashion. Our staff follows company guidelines to determine what is and is not an emergency. Your patience will be greatly appreciated.

Our online resident portal is available 24/7 on our website: athensrealestategroup.com. Maintenance requests must be submitted online to ensure we have written record of your situation including any specific instructions or preferences for maintenance items and entry to the Premises. For after-hours emergencies, call 706-510-9594 and explain the situation. If the service request is an emergency, management will contact the proper service personnel.

Below are guidelines for requesting maintenance services:

1. All maintenance requests must be submitted through the online resident portal.
2. By submitting a work order online, the Tenant understands and acknowledges they have provided permission for maintenance technicians to enter the Premises in their absence.
3. Only report items one time. When calling to check on the status or a maintenance request, inform the staff member that you are not making a new request.
4. If you have a monitored alarm system, please include the procedure and codes for "disarming" and "arming" the system. We are not responsible for accidental trips of the alarm. Also, pets must be crated during maintenance service.
5. If you have a "clogged" toilet, please plunge it before submitting a maintenance request. You may be subject to a charge if plunging is the solution to the clog.
6. If your toilet, sink, faucet, or water pipes are leaking, please turn off the water supply located under each sink and behind the toilet.
7. If we respond to a maintenance request and cannot gain access to the Premises due to a lock change, you will be charged a trip charge. Please provide us a key to avoid this situation.
8. For problems with your household appliances, try flipping the breakers before submitting your request. If you have non-working electrical outlets, please try pressing the "reset" button on the GFCI outlet first. Costs associated with maintenance trips for the sole purpose of resetting a tripped breaker or GFCI outlet, will be the responsibility of the Tenant.
9. If you refuse admittance of maintenance or pest control technician(s), you may be assessed a trip charge and the cost of correcting any problems this may cause. In the case of pest control, you may be held responsible for pest issues in the Premises and attached properties.
10. Slow sink and tub drains are a Tenant responsibility to repair. Before submitting a maintenance request, try using a plastic drain stick to clear the slow drain. They are available at Lowe's for about \$6.

We are available Monday through Friday during business hours – 9:00 am to 5:00 pm. For an emergency that threatens life or property, please report it to the proper authority by dialing 911.

Bed Bug Addendum

The goal of this addendum is to protect the quality of the Premises' environment from the effects of bed bugs by providing sufficient information and instructions. It is also the goal of this addendum to clearly set forth the responsibilities of each of the parties to the Lease.

- Tenant acknowledges the Owner/Agent has inspected the Premises and is not aware of any bed bug infestation.
- Tenant agrees that all furnishings and personal properties that will be moved into the Premises will be free of bed bugs.

Tenant hereby agrees to prevent and control the possible infestation by adhering to the below list of responsibilities:

1. Check for hitch-hiking bed bugs. If you stay in a hotel or another home, inspect your clothing, luggage, shoes and personal belongings for signs of bed bugs before re-entering your apartment. Check backpacks, shoes and clothing after using public transportation or visiting theaters. After guests visit make sure to inspect beds, bedding and upholstered furniture for signs of bed bug infestation.
2. Tenant shall report any problems immediately to Owner/Agent. Even a few bed bugs can rapidly multiply to create a major infestation that spreads to other units.
3. Tenant shall cooperate with pest control efforts. If the Premises or a neighbor's unit is infested, a pest management professional may be called in to eradicate the problem. The Premises must be properly prepared for treatment. Tenant must comply with recommendations and requests from the pest management specialist prior to professional treatment including but not limited to:
 - Placing all bedding, drapes, curtains and small rugs in bags for transport to laundry or dry cleaners.
 - Heavily infested mattresses are not salvageable and must be sealed in plastic and disposed of properly.
 - Empty dressers, night stands and closets. Remove all items from floors; bag all clothing, shoes, boxes, toys, etc. Bag and tightly seal washable and non-washable items separately. Used bags must be disposed of properly.
 - Vacuum all floors, including inside closets. Vacuum all furniture including inside drawers and nightstands. Vacuum mattresses and box springs. Carefully remove vacuum bags sealing them tightly and discarding them properly.
 - Wash all machine-washable bedding, drapes and clothing etc. on the hottest water temperature and dry on the highest heat setting. Take other items to the dry cleaner making sure to inform the dry cleaner that the items are infested with bed bugs. Discard any item that cannot be decontaminated.
 - Move furniture toward the center of the room so that technicians can easily treat carpet edges where bed bugs congregate, as well as walls and furniture surfaces. Be sure to leave easy access to closets.
4. Tenant agrees to reimburse the Owner/Agent for expenses including but not limited to attorney fees and pest management fees that Owner/Agent may incur as a result of infestation of bed bugs in the apartment.
5. Tenant agrees to hold the Owner/Agent harmless from any actions, claims, losses, damages and expenses that may incur as a result of a bed bug infestation.
6. It is acknowledged that the Owner/Agent shall not be liable for any loss of personal property to the Tenant as a result of an infestation of bed bugs. Tenant agrees to have personal property insurance to cover such losses.

By signing below, the undersigned Tenant(s) agree and acknowledge having read and understood this addendum.
