INITIALS: _____

3. Premises. Landlord, for and in consideration of the rents, covenants, agreements, and stipulations hereinafter mentioned, reserved, and contained, to be paid, kept and performed by Tenant, has leased and rented, and by these presents does lease and rent, unto Tenant, and Tenant hereby agrees to lease and take upon the terms and conditions which hereinafter appear, the Premises.

4. Term. The term of this Lease (the "Term") shall commence, and Tenant shall be granted possession of the Premises, at noon EST on the Lease Start Date and shall continue until 10:00 AM EST on the Lease Expiration Date, unless earlier terminated as provided herein. Tenant shall occupy the Premises throughout the Term of this Lease.

If there is a delay in delivery of possession of the Premises to Tenant by Landlord, Rent shall be abated on a daily basis until possession is granted. If possession is not granted within forty-five (45) days after the Lease Start Date listed in Section 1, then Tenant may prior to taking possession, as Tenant's sole remedy, terminate this Lease by written notice to Landlord and receive a full refund of any Security Deposit or advance payment of Rent. Landlord shall not be liable for any damages, whether direct, indirect, consequential, foreseeable, unforeseeable, or otherwise, for delay in granting possession.

It is expressly understood that, except as otherwise expressly stated in this Lease, Tenant shall not have the right to terminate this Lease early, and Tenant is responsible for paying Rent hereunder for the entire Term and until all sums due to Landlord hereunder have been paid in full, regardless of whether Tenant takes occupancy of the Premises, is transferred, ceases to be enrolled at any school in the area, is no longer a resident of the area or, for any other reason, is unable to continue occupying the Premises.

5. Leasing Process: The lease is not finalized until all steps of the leasing process have been completed. The leasing process includes the following from all Tenants: rental application, copy of government issued ID, Parental or Sponsor Guaranty OR proof of income/credit and criminal background check/rental verification, reservation fee/security deposit, and the signed lease agreement. Tenant will not be entitled to any abatement of Rent, or have a right to terminate this Lease, in the event that Landlord refuses to deliver possession of the Premises to Tenant due to Tenant's failure to deliver all of the foregoing items to Landlord. Landlord additionally shall have the right, at any time prior to delivery of possession of the Premises to Tenant, to assign different premises of a similar layout and location to the Premises to Tenant.

6. Rent. Tenant agrees to pay Rent in equal monthly installments (each an "Installment of Rent") listed in Section 1, each month, in advance, on or before the first (1st) day of each month for the entire Term. Tenant acknowledges and agrees that each Installment of Rent for the entire Term is due and payable in full and without proration for any partial month during the first or final month of the Term and without proration with respect to the number of days.

Tenant shall pay via any online payment system expressly authorized by Landlord. Landlord currently utilizes AppFolio, a third-party website as a convenience to Tenant. Landlord is not responsible for any failure to timely pay any Installment of Rent, whether or not caused by Tenant, AppFolio or any other online payment system that may be authorized by Landlord from time to time. If any Installment of Rent is paid via an authorized online payment system, Tenant shall be responsible for any credit card processing fee, debit card processing fee or other processing fees charged by such online payment system. Landlord is not responsible for any use of an authorized online payment system and Tenant holds Landlord harmless from any such use by Tenant. Tenant is responsible, among other things, for knowing account status, paying on time and updating online account information as needed to ensure that each Installment of Rent, Additional Rent or other sums due under this Lease are processed by such online payment system and actually received by Landlord no later than the date due under this Lease. If any payment is not received by Landlord by the date due, whether the responsibility of Tenant, any online payment system or otherwise, it will be a default under this Lease. Without limiting the generality of the foregoing, depositing any payment in the mail shall not constitute payment, but

INITIALS: _____

Landlord must actually receive payment by the due date. Tenant shall not be able to move in until first month's Rent is paid in full.

7. Late Fees and Dishonored Payment. If an Installment of Rent is not received by Landlord in full by 5:00 p.m. EST on the fifth (5th) day of the month, Tenant shall pay Landlord as additional rent a late fee in the amount of the Late Fee listed Section 1 per occurrence. In the event that any Tenant payment to Landlord is dishonored, Tenant shall pay to Landlord a service charge in the amount of \$50.00, together with any charges Landlord incurs by the bank where such deposit is made, together with the amount dishonored. In addition, Landlord reserves the right to require Tenant to pay all future payments by certified funds in lieu of allowing payment by check or through an authorized online payment system. Any late fees, and/or any other costs or fees described in this Lease, for which Tenant may be responsible at any time, are collectively referred to as "Additional Rent." Tenant acknowledges that all payments received will be applied in the following order: first to the oldest outstanding balance of Rent, Additional Rent and other amounts due hereunder and continuing in chronological order until all outstanding balances are paid in full. Landlord may, but shall have no obligation to accept any rent paid after the Due Date.

8. Security Deposit. Upon execution of this Lease, Tenant has deposited an amount equal to one Installment of Rent with Landlord to be held as security for the full and faithful performance of the terms and conditions of this Lease (the "Security Deposit"). The security deposit will be held in: Escrow Account at The Commercial Bank maintained by Agent. If this account changes, Landlord will provide notice thereof to Tenant. Landlord may, at its option, deposit the Security Deposit in an interest-bearing account and Landlord shall retain all accrued interest on said account to cover administrative costs to maintain said account.

Landlord may, but shall not be obligated to, apply all or portions of the Security Deposit on account of Tenant's obligations hereunder. Landlord shall return the Security Deposit to Tenant less reasonable move out charges (including but not limited a cleaning fee of \$75- \$100 per bedroom, carpet cleaning fee, trash out fee and maintenance fees as determined necessary in Landlord's sole discretion) to bring the Premises into the same condition in which it was delivered to Tenant within thirty (30) days following the expiration of this Lease provided that:

a. 1) the full term of the Lease has expired; (2) the Premises is clean and free of dirt, trash and debris; (4) all rent, additional rent, fees and charges have been paid in full; (5) there is no damage to the Premises or the Property except for normal wear and tear or damage noted at the commencement of the Lease in the Move-In Inspection report signed by Landlord and Tenant; and (6) all keys to the Premises and to recreational or other facilities, access cards, mailbox keys, gate openers and garage openers have been returned to Landlord or Manager.

Each Tenant listed in Section 1 acknowledges he or she is jointly and severally liable under this Lease, including, without limitation, for all move out charges referenced above. Tenant may not apply the Security Deposit toward Tenant's obligation to pay Rent for the last month of the Term of this Lease.

If there is more than one Tenant under this Lease, then Security Deposit, or any remainder thereof, that is due to Tenant in accordance with the terms of this Lease, will be returned to only one Tenant, and such Tenant will be responsible for dispersing the returned amount (if any) among the other Tenants. The Tenant that will receive the Security Deposit refund (if any) shall be: Tenant Name.

Landlord and Tenant acknowledge and agree that Landlord is, or may be, "pre-leasing" the Premises to Tenant and that Landlord will not be able to deliver the Move-In Walkthrough Report until on or about the Lease Start Date when the Premises is available. The parties acknowledge that O.C.G.A. Section 44-7-33 contemplates security deposits and inspection reports being provided simultaneously. Therefore, for clarity, and notwithstanding anything herein to the contrary, the Security Deposit listed above is hereby deemed a "reservation fee" for reserving the Premises from the date

INITIALS: _____

of this Lease until the date that Tenant receives delivery of the Premises and the Move-In Walkthrough Report and is not deemed a security deposit under O.C.G.A. Section 44-7-33 during such time. While the Security Deposit is deemed a reservation fee it shall be nonrefundable (except for Landlord's inability to deliver the Premises to Tenant in accordance with the timeframe set forth in Section 4). In the event Tenant does not take occupancy of the Premises, in addition to all other remedies available to Landlord under this Lease or at law and not as Landlord's exclusive remedy, the Security Deposit, then deemed a reservation fee, shall be forfeited by Tenant. Upon receipt of the Premises and the Move-In Walkthrough Report the Security Deposit will no longer be deemed a "reservation fee" but will automatically be converted into a "security deposit" in accordance with O.C.G.A. Section 44-7-33 in the amount stated above as security for the full and faithful performance and observance by Tenant of each and every term and covenant of this Lease, including, without limitation, the payment of Rent.

9. Move-In Walkthrough. Prior to tendering a security deposit, Tenant will be presented with a Move-In Inspection Report which will list any existing damage to the Premises. The list or a copy of such list shall be for the tenant's permanent retention. Tenant shall have the right to inspect the Premises to ascertain the accuracy of the list prior to taking occupancy. The tenant shall sign the list and it will be conclusive evidence of the accuracy of the list. If the tenant refuses to sign the AppFolio move-in inspection report, Tenant shall document exceptions or additions in writing by 8:00 PM the evening of their lease start date. The revised move-in inspection report will be shared with the tenant via their AppFolio portal. If the tenant does not sign and/or submit corrections or additions to the move-in section report, it shall be assumed that the home is deemed free of damages and Tenant is accepting the home in its current condition.

10. Renewal Deadline: Tenant may extend the Lease End Date of this Lease by providing Landlord written notice by 10/1/2023. If Tenant does not provide written notice to extend the Lease End Date, this Lease will NOT automatically renew. Tenant may extend the Lease after 10/1/2023 if the Premises is still available. Landlord reserves the right to deny the Tenant the right to extend the Lease End Date at his/her sole discretion. If the Lease End Date is extended, the additional term shall begin on the first day following the end of the preceding term.

Pre Move-Out inspections will begin on June of the year the lease expires for all houses that did not renew or partially renew the lease agreement. Any repairs the Tenant intends to complete themselves MUST be completed prior to June of the year the lease expires. As of June 1 of the year the lease expires and after, all repairs will be performed by the Landlord and subject to be charged to the Tenant if deemed by the Landlord to be a Tenant charge.

11. Pets: Unauthorized pet fee of \$350 per incident. Every day the violation occurs shall be deemed a separate incident.

- Tenant shall not be allowed to keep pets on premises.
- Tenant shall be allowed to keep pets on premises. A separate pet exhibit must be attached hereto and incorporated into this lease.

12. No Smoking. Tenant is not authorized to smoke inside the Premises. This includes electronic cigarettes and vaping. If Tenant is found smoking or vaping within the Premises, a \$500.00 charge will be assessed against Tenant for each instance, and Landlord may declare Tenant to be in default of this Lease. The charges provided above for violation of the no smoking and vaping policy constitute fees to cover the administrative costs of handling a smoking or vaping violation but do not cover damages or destruction to the Premises caused by smoking or vaping. Tenant shall remain liable for any and all damages exceeding normal wear and tear to the Premises caused by smoking or vaping, and the above fees do not release Tenant of such liability.

13. Utilities: Except as otherwise provided below, Tenant acknowledges that Tenant is responsible for all utility bills, including, but not limited to, water, sewer, gas, electricity, cable, phone, and internet bills for the Premises and Tenant shall promptly pay all charges for garbage collection services or other sanitary services rendered to the Premises

INITIALS: _____

15. **Condemnation.** If the whole of the Premises, or such portion thereof as will make the Premises un-tenantable, be condemned by any legally constituted authority for any public use or purpose, then in either of said events the Term hereby granted shall cease from the time when possession thereof is taken by public authorities, and Rent shall be accounted for as between Landlord and Tenant as of that date. Such termination, however, shall be without prejudice to the rights of Landlord to recover compensation and damage caused by condemnation from the condemner.

16. **Damage or Destruction.** If the Premises are totally destroyed or so substantially damaged as to be un-tenantable by storm, fire, earthquake, flooding, or other casualty, this Lease shall terminate as of the date of such destruction or damage, and Rent shall be accounted for as of that date between Landlord and Tenant. If the Premises should be damaged but not rendered un-tenantable and Landlord decides to repair the Premises, then Tenant shall continue to pay Rent as normal under this Lease. In the event that Landlord decides not to repair the Premises, then the Term of this Lease shall end and Rent shall be prorated as of the date of the damage. Notwithstanding the foregoing, if Tenant or Tenant's Occupants or invitees were responsible for the fire or other casualty and the Premises is rendered uninhabitable, then Tenant shall vacate the Premises but remain liable for all damages and for all Rent due for the remainder of the Term.

17. **Re-key Fee Paid by Tenant upon Lease Termination: \$150.00.**

The Re-Key Fee is only due from the Tenant in the following scenarios:

- b. Tenant requests Landlord to re-key the Premises.
- c. Tenant is evicted from the Premises.
- d. Tenant is found to be engaging in criminal/illegal activity on the Premises.
- e. Tenant replaces the original locks without consent of Landlord.

18. **Early Termination by Tenant:** Except as otherwise expressly provided by nonwaivable provision of applicable law, no termination of this Lease prior to the normal ending thereof, by lapse of time or otherwise, shall affect Landlord's right to collect Rent for the period prior to termination thereof or any other amounts due and payable by Tenant to Landlord hereunder.

19. **Lease Terminations:**

- ii. Protect such Tenant when he or she is a joint tenant, or his or her minor child, even when such Tenant has no obligation to pay Rent to Landlord.

(c) Notwithstanding the foregoing subsections (a) and (b), if there is more than one Tenant under this Lease and the foregoing right to termination under subsection (a) or subsection (b), as applicable, does not apply to all Tenants hereunder, then the remaining Tenant(s) and guarantors shall remain jointly and severally liable for all Tenant obligations hereunder. Any advertising or on-line postings, as well as actual rentals, of the Premises by Tenant to vacation or short-term guests or invitees shall constitute an event of default under this Lease. Should Tenant fail to vacate the Premises upon the termination or expiration of this Agreement, Tenant shall pay Landlord \$250.00 for every day that Tenant holds over after the expiration or termination of this Lease. Acceptance of the Holding Over Fee by Landlord shall in no way limit Landlord's right to treat Tenant as a tenant at sufferance for unlawfully holding over and to dispossess Tenant for the same. There shall be no renewal of this Lease by operation of law.
- 30. Fee to Prepare Lease Amendment:** All exhibits and addendums are incorporated herein by reference and made a part of this Lease. Tenant shall comply with all laws, ordinances, restrictions and regulations of any relevant governmental body, and Tenant agrees that an arrest of Tenant, or Tenant's Occupants, guests or invitees on the Premises shall be an event of default that constitutes sufficient grounds for terminating this Lease and Tenant's right of possession to the Premises regardless of whether said arrest results in a conviction. Tenants acknowledge that the sump pump is run by electricity and has its own breaker in the panel box. If there is a power outage, Tenant understands that they will not be able to flush toilets or use water inside of the unit. Loss of power means the sump pump will not pump sewage to the street, and it will flood the unit. Tenant acknowledges these terms and recognizes that any damage associated with improper use of the sump pump will be the Tenant's sole responsibility.
 - ii. Tenant acknowledges terms above as conditions of consent. Tenant understands that they are ultimately responsible for any damages associated with improper use of the sump pump during the lease term.

38. Mortgages. Tenant's rights under this Lease shall at all times be automatically junior, subordinate and subject to any deed to secure debt, covenants, conditions and restrictions, other matters of record or contracts of sale, which may now or hereafter affect the Premises and any modifications thereof. In the event the Premises is foreclosed, sold or transferred, Tenant shall transfer to the party foreclosing, purchasing or being assigned the Premises upon written notice thereof.

39. Tenant's Property. Landlord shall not be liable for damage to Tenant's personal property, except where such damage is due to Landlord's negligence or intentional misconduct. Notwithstanding the preceding sentence, Landlord recommends Tenant to obtain renter's insurance for protection from loss or damage to personal property due to fire, flooding, or other events that could damage Tenant's personal property, and Landlord shall not be liable for any loss that is or would have been covered under a standard renter's insurance policy, and Tenant (for itself and its insurer) waives any rights, including rights of subrogation, Tenant may have against the Landlord (and their employees, officers, owners, agents and affiliates), for compensation of any loss or damage occasioned by Landlord or Tenant, as applicable, arising from any risk generally covered by the insurance required to be carried by Tenant.

40. Rules and Regulations: Tenant hereby acknowledges that Tenant has read and understands each of the rules and regulations set forth on Exhibit A attached hereto (the "Rules and Regulations"). Tenant shall fully comply, and shall cause its Occupants, invitees and guests to comply, with the Rules and Regulations throughout the Term of this Lease. Landlord has the right to fine the Tenants in the amount of \$100 per occurrence for not abiding by the following rules and regulations. Tenant acknowledges that Landlord may amend the Rules and Regulations from time to time during the Term of this Lease in the event Landlord determines that such amendments are necessary and appropriate in Landlord's sole and absolute discretion. Landlord shall provide Tenant with written notice of any such amendments to the Rules and Regulations.

41. Hazardous Materials. Without limiting any other provision of this Lease, Tenant shall not cause or permit the presence, use, generation, release, storage or handling of any Hazardous Materials on or around the Premises, any violation of applicable environmental law with respect to the Premises, except the lawful and safe use of prepackaged supplies, cleaning materials and personal grooming items and other items sold in pre-packaged containers for consumer use so long as all of the foregoing are used, stored, handled, transported and disposed of in compliance with all Hazardous Materials Laws. "Hazardous Materials" means petroleum and petroleum products and compounds containing them, including gasoline, diesel fuel and oil; explosives; flammable materials; radioactive materials; polychlorinated biphenyls (PCBs) and compounds containing them; lead and lead-based paint; asbestos or asbestos containing materials in any form that is or could become friable; underground or above-ground storage tanks, whether empty or containing any substance; any substance the presence of which on the Premises is prohibited by any Governmental Authority; any substance that requires special handling and any other material or substance now or in the future that (i) is defined as a "hazardous substance," "hazardous material," "hazardous waste," "toxic substance," "toxic pollutant," "contaminant," or "pollutant" by or within the meaning of any Hazardous Materials Law, or (ii) is regulated in any way by or within the meaning of any Hazardous Materials Law. "Hazardous Materials Law" and "Hazardous Materials Laws" means any and all federal, state and local laws, ordinances, regulations and standards, rules, policies and other governmental

Section 9601, et seq., the Resource Conservation and Recovery Act of 1976, 42 U.S.C. Section 6901, et seq., the Toxic Substance Control Act, 15 U.S.C. 42. Joint and Several Liability. Each person who signs this Lease or any guarantor under a separate guarantor's agreement is jointly and severally liable for all Rent or other charges which come due. Landlord may look to any Tenant or guarantor for payment of all or a part of any obligation due without first suing or attempting to collect from any other responsible party. Landlord or any collection agency or attorney representing the same shall have the right to settle in whole or part all or a portion of any debt owed by one Tenant without releasing or waiving its claim for the balance of the debt against another Tenant, co-signor or guarantor. Settlement or release of one Tenant or guarantor shall not release the other Tenant or guarantor from liability for amounts owed

43. Governing Law. This Lease shall be governed by the laws of the State of Georgia.

44. Indemnification. Tenant hereby releases Landlord, its lenders, any management company managing the Premises or the complex and each of their respective directors, officers, shareholders, managers, members, and employees (each an "Indemnitee" and collectively, the "Indemnitees"), from any liability for and agrees to indemnify Indemnitees (or any of them) against all losses incurred as a result of Tenant's breach of this Lease or due to the acts or omissions of Tenant, Tenant's Occupants, guests or invitees, except to the extent that such loss is caused by Landlord's negligence or failure to make a repair required by applicable law. This Section 43 shall survive the expiration or termination of this Lease.

45. Attorneys' Fees. In the event that any party institutes any legal suit, action or proceeding, against the other party to enforce this Lease or otherwise arising out of or relating to this Lease, the prevailing party in the suit, action or proceeding shall be entitled to receive in addition to all other damages to which it may be entitled, the costs incurred by such party in conducting the suit, action or proceeding, including reasonable attorneys' fees and expenses and court costs.

46. Equal Housing Opportunity Policy. Landlord provides equal housing opportunity for qualified applicants and does not discriminate on the basis of race, color, religion, sex, national origin, familial status, disability, or any other legally recognized status under federal law or the laws of the State of Georgia.

47. Counterparts. This Lease may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Lease delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Lease

Rules and Regulations

The following Rules and Regulations (hereinafter referred to as "Rules") are a binding part of your Lease. Please understand that any violation of any of these Rules causes increased utility or operating cost. Please further understand that any violation of one of these Rules constitutes a default in the Lease as provided by law. In accordance with your Lease, and security deposit thereunder, you will be charged for violation of these Rules in order to offset those increased costs. Such charges are due and payable at the same time as the succeeding month's rent.

1. Tenant is responsible for all costs of removal of all foreign objects (e.g. hair, feminine hygiene products, paper towels, dental floss, condoms, razor blades, etc.) from the plumbing.
2. Tenant shall keep all yard areas free from garbage and trash, including prompt removal of trash cans and recycle bins from the street on pick-up days. All garbage and refuse must be in bags and placed in appropriate containers. Tenant shall properly dispose of all cigarette butts and shall not throw them into the landscaping or any exterior portion of the Premises. Any clean up as a result of improper disposal of cigarette butts or trash of any kind will result in an immediate fine to Tenant of \$25.00 per occurrence.
3. Nothing is permitted to be stored on or hung over the balconies or patios of the Premises. No physical change may be made to the exterior or interior of the dwelling. This includes signs that are visible from the exterior of the Premises, hammocks, towels, rugs or garments.
4. Tenant shall not obstruct driveways, sidewalks or entry passages for any purpose than ingress or egress.
5. At no point are the following permitted in the Premises: dangerous substances, unlicensed firearms and dangerous weapons, drug paraphernalia, motorcycles or scooters inside the buildings.
6. No noisy or disorderly conduct, annoying or disturbing to other occupants of the Premises or Premises complex, shall be permitted. All parties of 15 or more guests must be registered with Landlord. All parties must be held in accordance with applicable law. In addition to all remedies provided in the Lease or at law, the following shall apply to complaints concerning Tenants' and their guests violation of the Party Guideline or noise complaints: 1st complaint: written warning will be issued; 2nd complaint: A \$100.00 fine will be assessed against Tenant; 3rd complaint: a \$300.00 fine will be assessed against the tenant; 4th complaint: Tenant will be in violation of the Lease and will become subject to eviction. Notwithstanding the foregoing, after two noise/nuisance complaints, Landlord shall have the right to fine or terminate this Lease under the tenant default provision.
7. All glass, locks, screens, and trimmings in or upon doors and windows belonging to the Premises shall be kept whole and in place.
8. Tenant is responsible for promptly reporting all damages and maintenance needs to Landlord. Tenant shall be responsible for all damage to the Premises or Premises complex caused by overflow from drains, broken plumbing, washers, and tubs due to neglect of resident and for all damage to the Premises.
9. Tenant shall be responsible for reporting any change in occupancy of Premises. Failure to do so will be considered a default under this Lease.

10. Soliciting is strictly forbidden. Please notify Landlord

11. Pets are not allowed unless previously agreed upon in writing and an appropriate Pet Addendum is made a part of this Lease. Pets shall not be kept on chains, ropes, leashes, etc. unattended in yard. Tenant must pick up after pet. Pets are not allowed in the pool areas.

12. At no time will automobiles be parked on the lawns, grass, or in "no parking" areas. Automobiles violating this rule will be removed by Landlord at Tenant's expense. You will be held responsible for broken water meters or any damage caused by you or your guests.

13. If the Premises has an alarm system, Tenant is responsible for securing and paying for service if Tenant wishes to have such service. Codes must be provided to Agent or any other management company managing the Premises. Landlord, Agent, any management company managing the Premises or the complex and each of their respective directors, officers, shareholders, managers, members, and employees managing the Premises and complex, are not responsible for your personal belongings that may be damaged due to fires, floods, theft, etc.

14. Non-operative vehicles are not permitted at the Premises, and any such vehicle may be removed by Landlord at Tenant's expense. No repairing of vehicles is permitted at the Premises or Premises complex.

15. Tenant must maintain the interior and exterior of the Premises in clean, sightly and sanitary condition. If Tenant does not maintain this condition, Landlord will have premises cleaned at Tenant's expense. Interior furniture is not to be used as exterior furniture.

16. Satellite dishes are not permitted without the express, written consent of Landlord. See the FCC guidelines for placement of satellite dishes.

17. It is a violation of Georgia Code 16-10-27 to knowingly transmit a false report of fire. Tenant shall owe to Landlord a fine of \$100 per occurrence for transmitting a false report of fire in the unit. False transmissions shall include but not be limited to; falsely pulling a fire alarm handle, smoking inside the unit, allowing excessive smoke when cooking without adequate ventilation. Tenant shall be responsible for the actions of their guests in the unit and on the premises.

18. Matters of disputes among the individual Tenants sharing the Premises shall be settled between such Tenants, and Tenants shall not involve Landlord.

19. All areas of the Premises are considered to be non-smoking. No Tenant shall smoke inside the Premises at any time. Tenant, Tenant's guest and others present at the Premises or Premises complex with Tenant's consent shall strictly comply in all respects with the above rules and regulations and any other reasonable rules and regulations as promulgated, displayed or provided, by Landlord from time to time. Landlord may make changes to these Rules or promulgate other rules if in writing and posted in the Community or given to Tenant.

Landlord hereby grants to Tenant a non-exclusive license during the Term of the Lease to use all driveways, walkways, hallways, landscaped areas, and other common areas of the Premises complex (the "Common Areas"), such usage to be in common with the usage by other tenants in the complex and their permitted guests, and invitees. Landlord may impose such restrictions on the use of Common Areas as Landlord deems appropriate. Landlord shall be entitled to control the entry upon the Common Areas by Tenant's guests, or invitees, including agents, furniture movers, deliverymen, solicitors or salesmen. Landlord shall have the unrestricted right to increase, reduce, eliminate, relocate or change the size, dimensions, design or location of the Common Areas or any other improvements in the Premises complex from time to time in any manner whatsoever as Landlord shall deem proper. Tenant shall use all Common Areas in a prudent, inoffensive and non-dangerous manner, and in compliance with any community policies. Tenant acknowledges that parking in the Common Areas may be limited and that Tenant is not guaranteed the right to a parking space in the Common Areas or any parking associated with the Premises as part of this Lease. Landlord may promulgate appropriate rules and regulations to solve any parking problems that may arise. Tenant agrees that Tenant will be responsible for any damages to any Common Areas caused by Tenant or by Occupant or by guest or invitee of Tenant. Tenant, Occupants and Tenant's guests and invitees use recreational facilities and Common Areas at their own risk.

CLEANING INSTRUCTIONS AND CHARGES

The carpet in the Premises must be cleaned by a professional carpet cleaning company. It has been our experience that it is best if the professional steam clean is scheduled and completed by the landlords' preferred carpet cleaning company. If Tenant chooses to hire another carpet cleaner, the carpet cleaner must guarantee their work to the satisfaction of Landlord and/or Landlord's Agent, and a receipt is required during the walk through inspection. If it is not cleaned to our satisfaction, the Tenant will be charged for any additional expenses. Tenants please note: you will not be reimbursed for any carpet cleaning contracted by Tenants. Excessive stains or repairs may require an extra charge.

There is a general cleaning charge of \$75 to \$100 per bedroom; includes common areas. Excessive cleaning can result in additional charges.

Remove all personal property, trash and debris from inside and outside the home. Vacuum all carpets thoroughly. Wipe down all appliances, countertops, cabinets, and tubs/showers. Sweep and clean porch, steps, patio, sidewalk, driveway and garage (if applicable)

Pressure washing of the house and/or decks could be subject to a Tenant charge if it is deemed to be the fault of the Tenant (staining or mildew due from: grilling, egg, trash debris, etc.)

Bedroom/Bathroom Door Knob Locks: if you install a lock and key to your bedroom or bathroom door, you must change these locks back to the original bedroom/bathroom door knob in which the locks do not require a key. If we have to change the door knobs this will be considered a Tenant charge.

Please reference the Move-Out Instructions provided near the end of the lease for a full move out procedure list.

The chart on the next page is a guide and estimate of most replacement/repair charges. Nothing herein shall be construed as a limitation on agent's rights to pursue resident for damages not specifically listed hereon:

Maintenance Procedures Policy

From time to time it may be necessary to request maintenance for the Premises. Under normal circumstances you can expect requests to be handled in 1 to 3 business days; however, this may vary depending on demand. Any request that is considered an emergency is given priority over routine requests and is assigned to maintenance personnel immediately. Examples of an emergency are flooding due to burst pipes, fire or any issue which threatens the safety of our residents. We will not always be able to provide you with a day or time for service but will complete your request in a timely fashion. Our staff follows company guidelines to determine what is and is not an emergency. Your patience will be greatly appreciated.

Our online resident portal is available 24/7 on our website: athensrealestategroup.com. Maintenance requests must be submitted online to ensure we have written record of your situation including any specific instructions or preferences for maintenance items and entry to the Premises. For after-hours emergencies, call 706-510-9594 and explain the situation. If the service request is an emergency, management will contact the proper service personnel.

Below are guidelines for requesting maintenance services:

1. By submitting a work order online, the Tenant understands and acknowledges they have provided permission for maintenance technicians to enter the Premises in their absence.
2. Only report items one time. When calling to check on the status or a maintenance request, inform the staff member that you are not making a new request.
3. If you have a monitored alarm system, please include the procedure and codes for "disarming" and "arming" the system. We are not responsible for accidental trips of the alarm. Also, pets must be crated during maintenance service.
4. If you have a "clogged" toilet, please plunge it before submitting a maintenance request. You may be subject to a charge if plunging is the solution to the clog.
5. If your toilet, sink, faucet, or water pipes are leaking, please turn off the water supply located under each sink and behind the toilet.
6. If we respond to a maintenance request and cannot gain access to the Premises due to a lock change, you will be charged a trip charge. Please provide us a key to avoid this situation.
7. For problems with your household appliances, try flipping the breakers before submitting your request. If you have non-working electrical outlets, please try pressing the "reset" button on the GFCI outlet first. Costs associated with maintenance trips for the sole purpose of resetting a tripped breaker or GFCI outlet, will be the responsibility of the Tenant.
8. If you refuse admittance of maintenance or pest control technician(s), you may be assessed a trip charge and the cost of correcting any problems this may cause. In the case of pest control, you may be held responsible for pest issues in the Premises and attached properties.
9. Slow sink and tub drains are a Tenant responsibility to repair. Before submitting a maintenance request, try using a plastic drain stick to clear the slow drain. They are available at Lowe's for about \$6.
10. Landlord does not provide window screens.
11. Any repairs deemed to be the Tenant's fault will be charged to the Tenant.
12. Tenants are responsible for changing the air filters every 30 days.
13. Tenants are responsible for changing refrigerator water filter.

We are available Monday through Friday during business hours – 9:00 am to 5:00 pm. For an emergency that threatens life or property, please report it to the proper authority by dialing 911.
